

2ND ANNUAL BALTIMORE ORIOLES

DILLON PAPIER BENEFIT

Proceeds will fund Type C research for
THE NATIONAL NIEMANN-PICK DISEASE FOUNDATION

Enjoy a ballgame with friends and family on **Sunday, August 22nd at 1:35pm** at **Oriole Park Stadium** and join the fight against Niemann-Pick Type C (NPC) disease. This special package includes game ticket, dining/drinks/beer in the exclusive "Camden Club" prior to the game from **12:00-1:30pm**, an Orioles memorabilia silent auction, and a possible Orioles guest appearance.

Help celebrate Dillon's **8th birthday** by sharing his love of baseball. Your support will help fund critical research to find a cure for this devastating, extremely rare disease that is always fatal (only 500 cases have been diagnosed in the world). Without treatment, Dillon will lose his ability to walk, talk, eat (eventually requiring feeding tube), and recognize his parents. Sadly, within 5 -10 yrs of diagnosis, the disease will rob Dillon of his most precious gift - life.

 Dillon loves playing and watching baseball. His first words in the morning are "Do I have a little league game today?" Dillon always asks his dad, TJ Baseball Coach Mark Papier, to help him refine his skills of hitting, bunting, catching, and his all-time favorite - sliding. 

Please be as generous as you can. Time is Dillon's enemy. A cure must be found to save our fun-loving neighbor who has a unique sense of humor, infectious smile, and sweetness that touches all who meet him.
