

4th ANNUAL FREDERICK KEYS

DILLON PAPIER BENEFIT

Proceeds will fund Type C research for
NATIONAL NIEMANN-PICK DISEASE FOUNDATION

Help celebrate Dillon's 9th birthday by enjoying a ballgame with friends and family on **Saturday, August 27th at 6:00 PM at the Frederick Keys Harry Grove Stadium.** Come early to cheer Dillon throwing out the first pitch, and following the game enjoy the spectacular fireworks.

By sharing in Dillon's love of baseball, you are making a difference against Niemann-Pick Type C (NPC) disease. Your support will help fund critical research to find a cure for this devastating, extremely rare disease that is always fatal (only 500 cases have been diagnosed in the world). Without a treatment, Dillon will lose his ability to walk, talk, eat (eventually requiring feeding tube), and recognize his parents. Sadly, within 5 - 10 yrs. of diagnosis, the disease will rob Dillon of his most precious gift - life.

Dillon loves playing and watching baseball. His first words in the morning are "Do I have a little league game today?", or "Will I be watching the TJ High School game?" Dillon is always asking his dad, TJ Baseball Coach Mark Papier, to help him refine his skills of hitting, bunting, catching, and his all-time favorite - sliding.

Please be as generous as you can. Time is Dillon's enemy. A cure must be found to save our fun-loving neighbor who has a unique sense of humor, infectious smile, and sweetness that touch all who meet him.

For tickets: Darlene Gelslechter 301.874.1084 hdr123@mac.com
Darrile Papier 301.607.4439 or 301.951.4802 papierfamily@gmail.com

Donations may be mailed to NNPDF, Attn: Dillon Papier 9741 Royal Crest Circle, Frederick MD 21704

Tickets: Reserved Seating \$10 (50% tax deductible)

Please Give From Your Heart Today

Dillon's Army (family, friends, teachers, doctors) and the other NPC children THANK YOU for providing "The Gift of Hope"
